Our Wines

Our wine making philosophy is to let the wine reflect the fruit of the vine. We focus our attention on producing the highest quality fruit possible, and then managing the fruit through the fermentation process for it to produce the finest wine it has to offer. By limiting yields and restrained barrel treatment, we are able to give the purest expression of our vineyard in producing our wines. The vineyard encompasses 20 total acres; 12 acres of Pinot Noir planted in 1989, 5 acres of Pinot Gris planted in 2007, and 3 acres of Pinot Noir planted in 2008. Our estate is farmed organically and certified Live and Salmon Safe. High on the coast foothills of the McMinnville AVA, our wines are intense and complex.

WE PRODUCE ESTATE GROWN VINEYARD SELECTIONS OF PINOT NOIR, PINOT GRIS AND PINOT BLANC.
